RE: ALFRED SARANT
Esp-R.

Night Supervisor, A. T. Healey of the New York Office called at about 11:15 this evening to advise that Agents of the New York office had interviewed Mrs. Elektra Jayson, sister of Sarant, this date and she advised them that Sarant had left Baldwin, L.I. Saturday morning with his "girlfried" Carol, who is a neighbor of his in Ithaca, N.Y. Mrs. Jayson denied knowing where Sarant and Carol were going, but that she did state that Sarant was to arrive back in Ithaca sometime today, (8/10/50) probably late in the day.

Contact was made with SA Maxson at Ithaca who stated that he would advise SA Mahoney, who would in turn check to verify fact that Sarant did return to Ithaca and a call would be placed in the morning to the SAC to advise him of their findings.

RE: ALFRED SARANT
ESPIONAGE - R.

At 5:35 P.M. August 10, I received a telephone call from ROBERT GRANVILLE, Supervisor in the New York Office. GRANVILLE stated that ALFRED SARANT had departed New York sometime either Friday or Saturday and that his destination was unknown. In view of the fact that SARANT has been observed in the company of a girl believed to be CAROL DAYTON, GRANVILLE suggested that I call Boston and have them check with the individuals whom CAROL DAYTON was supposed to be visiting, to determine if SARANT might be in Boston.

At 8:45 A.M. on August 11, 1950, in view of the fact that SARANT had not returned to Ithaca, I telephonically contacted ASAC ED McCABE of the Boston Office and advised him that CAROL DAYTON was visiting JUDY BREGMAN at 72 Frances Street, Cambridge, Mass. I requested McCABE to have an agent contact BREGMAN in an effort to locate DAYTON for an interview. I told McCABE in the event DAYTON was located, she should be asked if she had seen or heard of ALFRED SARANT. I further told him that if through this contact SARANT was located, the Boston Office should have no compunction in contacting him and asking him when he plans to return to Ithaca.
